

# ...ARE YOU MAKING THE MOST OF EASTEX?

Now come on, be honest...

When was the last time you checked the Eastex site to see what is available or wanted? and...

When was the last time you saw something being thrown away in your workplace that could be re-used?

## Well we want to help!

We understand it's not always easy to keep checking the site but unless we hear from you what you are looking for or what you need we will not know how to help you! By placing 'wanted' or 'available' adverts or creating 'wish lists' we can work with you to help source and pass on resources.

To help get things going, below is snapshot of some of the items and materials currently advertised as wanted and available on Eastex:

### Wanted

- Sawdust
- Fence posts for farm project
- Boots and overalls for farm project
- Mobile whiteboard
- Metal lockers with hanging space
- Paper shredder for community group
- Road plannings for farm project
- Bedroom furniture, curtains and blinds for homeless charity
- Door frame with interior door for a theatrical production
- Stackable tables and chairs for a theatrical production

## Available

- 20kg bags briquettes (free or small donation)
- 15kg bags firewood (free or small donation)
- New Over head projector (free)
- Wide variety of pallets (free)
- Epson imaging cartridge (free)
- Shredded paper (free)
- Empty cardboard boxes (free)

If any of these items interest you or you think you can help please visit [www.eastex.org.uk/suffolk](http://www.eastex.org.uk/suffolk) for further details or contact either myself or Sophie Leggett on 01502 584061.

Eastex Suffolk now has over 1,000 members on the site and we are sure that more of you must have useful reuseable items and materials that can be removed from your waste streams to benefit others. So make sure you visit the site this week and create some adverts!
