Shotley & Erwarton Good Neighbours

On Saturday 25th of February we had a very successful lunch at the village hall for our volunteers, updating them on our progress. Thanks go to all members who supplied food. The steering group are very pleased with progress having been able to assist a number of residents with a variety of requests during the year. Thanks to a donation from Dave Wood's Locality Budget we have purchased fridge magnets giving our telephone number and will be happy to supply these where needed.

We soon be able to supply and fit 'door viewers' sponsored by the 'Suffolk Safe and Sound Crime Reduction Panel'.

Images of Shotley

The weekend of the 22nd & 23rd of April, sees the Viking Forest Project taking over the Village Hall to present our 4th 'Images' exhibition of local artist's work, traditional crafts, music, and farming items

The children's art competition this year is entitled 'Postcards from the Peninsula' Over 200 entries last year, across several age groups were displayed, so come and see your budding artist's work on display! The 'Tug of War' trophy currently resides at the Rose, so if you think your team can do better... During the weekend we hope have a band and a display of Morris dancing. Ploughman's lunches will be served on both days, with cream teas on the Sunday.

At the crack of dawn, (5am) on both mornings there will be a 'Dawn Chorus Walk'. Led by Ian Peters, this is a wonderful way to get a little closer to nature and learn about our native birds and wildlife, 'Full English Breakfast' makes up for the early start when we get back! Tickets for this need to be booked in advance, £5 - Please call 787630

If you have paintings / artwork / photographs of local - peninsula or related subjects you would like to offer for display or sale, please contact 787157 or 787242 (we do not charge an entry fee but a 10% donation of sales to the Viking Forest Project's funds).
