Buzabout - Community Transport

The Buzabout door to door services have proved very popular since their inception in Nov 2002. The service has been funded by various grants which will be coming to an end in Nov this year and for evening services in Feb 2006. It is vital that Buzabout continues to be well used as subsidies will not be forthcoming unless it can be demonstrated that the need exists. Many people who are elderly or disabled have been able to make journeys that were impossible before and many people of all ages have been able to access the 'bright lights' of Ipswich without having to miss the end of the film or go without their dessert to catch the last bus home! Booking is easy, call 0845 4581920 at least 24 hours in advance of your journey. Charges are comparable to bus fares.
