

TREE OF LIFE EVENT

STILL WATERS – an all-age creative space with the Tree of Life team

Saturday 20 February 3pm – 6pm at Chelmondiston (venue to be confirmed at time of booking).

Our theme this month is **HOPE** and is a guided workshop for all ages (children under 5 must be accompanied by an adult). We have a time of stillness and response through our creative activity of making a community patchwork. No experience necessary and all materials will be provided.

Cost: £7.50 to include afternoon tea (children half price).
Early Bird Discount: £6.00 and £3.00 if booked by 12 noon two days before the event.

To book: Please phone Ann Baeppler on 01473 327089 or Jane Gould on 01473 780777 or email Jane Chevous jb38@btinternet.com

Tree of Life consists of a group of people on the Shotley Peninsula who organise a monthly programme of events to foster the creative spirit.
