

# quick, comfortable coach link

When you need to get to Stansted Airport, you want to get there quickly, easily and with no fuss. And you don't really want the hassle or expense of parking. So here's a great idea - a fast, comfortable coach link direct to the airport from Ipswich. It's called airport by coach because that's exactly what it is.

Airport by coach runs every 2 hours from the early hours of the morning to late at night, 7 days a week\*, so there's bound to be a connection that's just right for your flight - see the timetable on the right.

## book online for the lowest prices [airportbycoach.com](http://airportbycoach.com)

You can just pay the driver when you get on if you prefer, but you'll always get the lowest price if you book ahead, online. The website is simple to use, and you have the added peace of mind knowing that you have a reserved seat.

## book door to door with our great taxi + coach deals

And here's another great idea. For a small extra charge, if you live in Ipswich, you can literally go door-to-door by selecting a taxi pick-up from your home to the coach, and back again at the end of your trip - certainly a lot cheaper than having a taxi all the way. Phone or go online to find out about taxi add-on prices.

## leather seats, air-con & wi-fi

In this day and age you should expect a few creature comforts, even on a short shuttle to the airport. So, the stylish coaches have comfortable, reclining seats, air-conditioning and even wi-fi. And there's loads of room in the cavernous hold for all your luggage, skis included.

## accessible for everyone

The coach has space to carry a person in a wheelchair, and the easy-to-use lift means getting on and off is simple and quick. Because each coach can only carry 1 wheelchair user, we'd hate to disappoint you - so please book well ahead.
