

SHOTLEY PENINSULA CYCLING CAMPAIGN

Interested in safe leisure cycling or commuting by bicycle?
Believe that cyclists and motor traffic should be kept apart?

Then join the campaign which is working towards providing a
safe cycling network and Community Path for our Peninsula.

The first meeting of the Campaign group will be held at
Chelmondiston Primary School
on Thursday 27th May 2010 at 7.00pm.

Come along to hear what we've achieved so far and how
you can help make these wishes a reality.
