## Where does the money raised go to?

In September the PFA gave the school £640

Each teacher was given £80 to spend on items for their class

They were very pleased and bought the following items:

- |            |   |
|------------|---|
| Nursery:   | Cooker  |
| Reception: | Puzzles and games   |
| Year 1:    | Modelling clay, puppet making set, games, video & puzzles |
| Year 2:    | Art equipment & DVD for literacy                          |
| Year 3:    | Cupboard & drawers  |
| Year 4:    | DVD player  |
| Year 5:    | Geography disc of images & storage                        |
| Year 6:    | Lots of nice things, drawers & little bits                |

In December the school needed a lighting gantry, which was used very effectively at the Christmas performances. This cost £386 and was paid for by the PFA.

## Where would you and your children like to see money spent in the future?

We would like to hear from you with your suggestions and ideas of items we could purchase for the school in the future. Please take a few minutes to fill in the tear off strip below and return it to school.

Thank you
