SHOTLEY WALKING CLUB

I am sorry I am unable to attend the Annual Parish Meeting this year as I am on holiday.

The Walking Club is still going strong : we celebrated 13 years since the Walking Club was formed in February! We have lost quite a few members but a lot of new people have joined us on some of the walks. If anyone is interested in joining us on the walks in and around the Shotley Peninsula, please call me on 787504 or just turn up on the day. We walk the second Sunday in every month. I write a report which appears in both the Church Magazine and Community News and details of future walks also appears in these publications.
